

**Scientists**: inspire a student "pre-scientist" from an underserved community by sharing what it's like to be a scientist!

What you'll do: Write & receive 4 letters to your pre-scientist during the 2017-18 school year

Time commitment: Up to 4-8 hours over the course of the year

Visit http://www.prescientist.org/sign-up/ for more information and to register!

be a friend and an inspiration
